BENEATH THE VATICAN THE DARKEST SECRETS ARE HIDDEN

SAN FRANCISCO: Just when you thought you learned all there was to know in the first two volumes of Leo Lyon Zagami's *Confessions*, the revelations are deeper and even more macabre in Volume III. Zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the Illuminati. In the third book of his *Confessions* series a variety of topics of interest are explored that are always verified with documentation. Zagami gives an account of humankind's function within the grand celestial battle between the internal controllers of Earth, and the external knowledge of a new generation of conspiracy researchers.

This is not a work of fiction, but is instead an indispensable tool when used as a manual, to finally understand topics never before disclosed to the public. From the truth on the mythical Knights Templars, and their role in events leading up to today, to the Jesuits and their Vatican espionage game, to the hunt for the Holy Grail in the heart of the Vatican. Zagami shocks once again, showing to the world for the first time the most credible candidates of the Grail mystery, with proven testimony of a now-declared Saint of the Catholic Church.

The Illuminati exist, and they create religions and influence humanity with spiritual ideology and religious practices since the dawn of time. They have supported individuals such as Aleister Crowley and Gerald Gardner, crafted the modern Witchcraft revival which hides behind a pagan image, a Satanic reality in tune with today's New Age movement. Zagami also continues what he calls "conspiracy reality," a way to fight back the system of lies and deceit responsible for the rise of Satanism in the Vatican, showing in the process the magical practices of the Illuminati.
