## **For Immediate Release**

### **NEW NATIONAL ACCOUNT SPECIALIST TECHNOLOGY VETERAN**

KENT, Ohio (February 26, 2013) Coleman Data Solutions (CDS), a document management solutions provider in Akron, Ohio, is pleased to announce the promotion of Paul Preiksa to National Account Specialist.

Mr. Preiksa has been with Coleman Data Solutions for more than 24 years. Before joining the company in 1988, he spent 23 years at Burroughs Corporation, holding key sales positions. In 1986, Burroughs merged with Sperry Corporation to form Unisys.

Prior to his promotion, he was responsible for promoting CDS service offerings to clients throughout the State of Ohio. In his new role, he will be responsible for developing national and major accounts while mentoring incoming entry-level sales executives on CDS's data management offerings.

The promotion structures the CDS sales team and positions it for expansion and comes just months after the appointment of Bob Kilmer to the position of Director of Sales.

“Paul has been a key part of Coleman Data Solution’s success and we are thrilled to promote him to this critical mentoring position,” said CDS Director of Sales, Bob Kilmer. “In addition to working closely with our most important and valued accounts, this new position will leverage Paul’s experience and data management expertise across our entire sales organization for the benefit of our customers, both present and future.

Coleman Data Solutions utilizes industrial strength document scanners to convert all types of paper records into electronic images that reduce storage and retrieval expenses and increase efficiency, document security and customer service.
