

For Immediate Release

iSpin Life

'Make A Spin' app

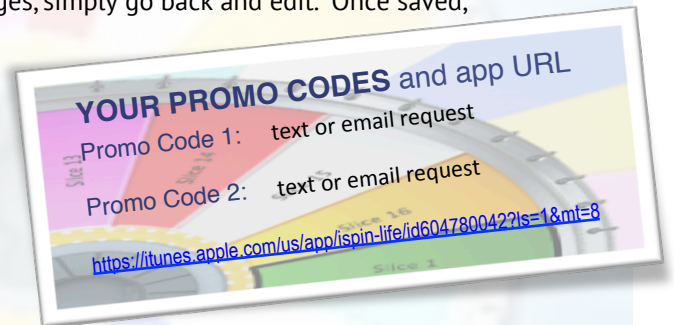

March 28, 2013

Los Angeles – With iSPIN Life “**Make A Spin**” app (release date April 01, 2013, \$ 1.99 on the apple app store), Users Create their own Spin Game on their device (User Content). Be creative, have fun with friends, and most of all, let the spinner help you decide. It’s a no-brainer at parties, and who knows how your instructor will like a wardrobe recommendation. You can always blame it on the spinner! Not your fault! Don’t know how it happened!

Simply download “iSpin Life” to your device, name your spinner, and insert up to 16 items on your spin wheel (one at a time). It’s that easy, and for changes, simply go back and edit. Once saved, Let Your Spinning Begin.

Make a Spin Game of your own like...

- ✓ Buddha Quotes
- ✓ Say Stupid in 100 Languages
- ✓ Seingeist
- ✓ Fortune Teller
- ✓ Famously Ugly People
- ✓ Best Jokes Ever Told
- ✓ Talk Like A Fart

Stuck? Can’t think of a good spinner? The **iSPIN FREE Spinners** will help to get your creative juices flowing. Can’t decide on a new movie to go see, or, need a clever quote by Plato? Try out any of the 500+ new **iSPIN FREE Spinners** (5 released weekly). It is plain good fun! iSPIN is great for a family activity, and always a conversation starter, even when the boss wants to see exactly what everyone is laughing about, (well, let’s just say...choose your Spinner wisely).

MAKE A SPIN is Currently Available as an iPad app, with an iPhone release scheduled for April 15, 2013, and an Android, Kindle, Nook launch scheduled for April 30, 2013. Several new features and games are planned for 2013 such as: Publish Your Spinner (\$9.99 mo.), scheduled for June 2013, allowing Users to create & submit spinners to RTNTRUE for publication.

RTNTRUE, Inc. is an app Development Company located in Los Angeles, CA whose primary goal is to incorporate new approaches to entertainment and business apps. Produced games include Donkey Storm (on Apple app Store), Fall into a Volcano (release 2013), Pick-a-Win, and the iSPIN family of Spinners. RTNTRUE consults on apps for businesses and is currently in production on two apps for the Entertainment Industry. RTNTRUE is enthusiastically involved in developing apps for the Philanthropy market, and currently donates 20% of proceeds specifically to Charities that embrace new technology.
