Key Ingredient	Function
AC Collagen Pre-Peptide (Tripeptide-29)	Builds and repairs collagen and damaged skin. Helps rebuild collagen for a plumper, smoother appearance. After 29 days of application, lip volume increased by 40%, hydration improved by 60% and folds decreased by 29%.
Meadowfoam Estolide	Intense hydrator that restores optimal hydration. Improves water retention and hydration levels in the lips and reduces transepidermal water loss (TEWL). After 45 days of use, participants showed a marked improvement in the condition of their skin, noting smoother skin and better tone.
Lactobacillus/Capsicum Frutescens Fruit Ferment Extract	A non-irritating chili pepper that increases circulation and provides a slight warming effect.
Lemon	Helps maintain healthy capillary walls resulting in better blood circulation to lip area.
Benzyl Nicotinate	Vasodialator, opens up capillaries, and immediately plumps surface.
Isononyl Isononanoate	Provides silky, non-tacky feel.
