Aronson & Associates Joins IncorTech

Fontana, CA – December 31, 2007 – IncorTech announced today that Aronson & Associates, a Sage Software Reseller located in Huntington Beach, California will join IncorTech. Judith Aronson, principle of Aronson & Associates, will continue her practice in Huntington Beach under the IncorTech banner and merge her existing client base into IncorTech.

“Judith Aronson is a former accountant and an experienced MAS 90, MAS 200, BusinessWorks and Peachtree Consultant and we are honored that she has chosen to merge her practice and clients with IncorTech”, says IncorTech President, Steve Birdwell. “With over 20 years experience integrating Sage Software’s Peachtree, BusinessWorks and MAS 90 and MAS 200 products, Core Accounting modules, Bar Code, EDI, Job Cost, Manufacturing, Distribution and Data Migration, Judith will expand and enhance our existing West Coast practice and provide additional resources for our current clients”.

Aronson & Associates clients will have the benefit of continuity with Aronson while working with a large Sage Software’s Partner and larger consulting team and their family of products: Sage MAS 90 ERP, Sage MAS 200 ERP, Sage MAS 500 ERP, Sage BusinessWorks, Sage ABRA HRMS, SageCRM, Sage ACT! CRM, and Sage SalesLogix CRM, JobOps, FRx, Crystal Reports and Business Objects.

“My customers have always been my first priority”, says Aronson, “and IncorTech shares my belief and will continue to work with me to make sure they receive the excellent service they deserve.”

Aronson has achieved numerous certifications and in-depth professional training with Sage Software products. She has taught classes at Fullerton College Professional Development Institute and is a popular speaker for business groups in Southern California. She looks forward to growing the practice in the Orange County regions and continues to grow her passion for Sage MAS 90, MAS 200 and BusinessWorks.

About IncorTech (www.incortech.com)

With regional Headquarters in Fontana, CA, and Atlanta, GA, IncorTech provides customized business software and service solutions from entry level accounting and contact management software to business solutions, integrating ERP, accounting, distribution, manufacturing, CRM and HRMS, all of which come with professional advice, installation, training, plus ongoing service and support.

13 years of Sage Software expertise in San Bernardino, Riverside, Orange and Los Angeles Counties, IncorTech has offices in Atlanta, GA, Lake Havasu City, AZ and Seattle, Washington.

IncorTech is a Sage Software Developer, and retains a staff of seasoned business professionals that are also Sage Certified Trainers and Support Consultants. IncorTech is a member of Sage Leadership Academy Alumni and Information Technology Alliance and is a proud sponsor of the Alzheimer’s Association Memory Walk event.

About Sage Software, Inc.

Sage Software supports the needs, challenges and dreams of more than 2.6 million small and mid-sized business customers in North America through easy-to-use, scalable and customizable software and services. Our products support accounting, operations, customer relationship management, human resources, time tracking, merchant services and the specialized needs of accounting practices and the construction, distribution, manufacturing, nonprofit and real estate industries. Sage Software is a subsidiary of The Sage Group plc, a leading international supplier of accounting and business management software solutions and related products and services for small to mid-sized businesses. Formed in 1981, Sage was floated on the London Stock Exchange in 1989 and the Group now has 5.0 million customers and employs over 10,500 people worldwide.
