The predictions of a dramatic crisis, the decline of the Church, emergence of an Antichrist, and the return of “Christ the Judge” all aim to be the pinnacle of what will be the most dramatic period for humanity. Will Pope Francis be the *The Last Pope*?

SAN FRANCISCO: With a paltry population of 842 persons, the city-state of Vatican City in the heart of Rome is the smallest nation in the world. What would we find behind the walls of the world's most sparsely populated sovereign municipality? The Vatican City is home to the pope, the Vatican Bank and the Swiss Guards who offer protection. The popular façade of a smiling pontiff leading the Catholic faithful to salvation is what the world sees. But maybe there is a darker side?

Organized into seven chapters (The Surrender, *Habemus Jorge*, the Many Secrets of Pope Francis, NWO & the Islamic Crisis of the Vatican, Homosexuality & Child Abuse in the Vatican, Prophecies and More, and A "Black" Pope on the Papal Throne), *Pope Francis: The Last Pope? Money, Masons and Occultism in the Decline of the Catholic Church* by acclaimed *Confessions of an Illuminati* author Leo Lyon Zagami (CCC Publishing, April 2015) examines the flaws in the modern Church and looks at how the Jesuit Pope Francis,

coupled with the accelerated decline of Catholicism worldwide, can quite possibly be the conclusion to the once mighty 2,000-year-old religious institution.

Through exploration of the integration of Masons in the Vatican with ancient occult practices, Zagami believes the dawn of a New World Order begins with a One World Religion to be ushered in by Pope Francis himself. Will our future be one of global tyranny, or can we overcome this oppression and advance towards universal enlightenment without direction from the Church? Will “Lucifer’s Lodge” rule this planet, or will the Golden Age be attained with the rapid advancement of human consciousness? Many intriguing dark secrets are exposed for the first time in this groundbreaking tell-all book by one of Rome’s leading whistleblowers.
