

SMF Launches New Website and Fall Collection

August 2, 2016, 10:00AM PST from Styles Make Fights

STYLES MAKE FIGHTS has announced the debut of a revamped retail website and the unveiling of their fall apparel collection this week.

Inspired by combat sports and fashion, STYLES MAKE FIGHTS combines the prestige of title fights with fashion. The 2016 fall collection brings more unique pieces to the already stunning line, including the highly anticipated women's crop top hoodie.

The modernized website now features a link to the SMF blog, the SMF Gallery of supporters and sponsored fighters in their gear, as well as a space for custom competition apparel requests.

Another innovative addition to the site is the Brand Ambassador portal, made available to support the masses of fans clamoring to promote the brand to receive some free apparel, or even make a little extra cash on the side. Potential candidates simply fill out and submit the form under the Brand Ambassador tab to make a case as to why they would be a great choice.
