THE SECRET SOCIETY STRANGLEHOLD OVER THE WEST

SAN FRANCISCO: Just when you thought you knew everything about the Illuminati Network in the first two volumes of Leo Lyon Zagami's groundbreaking *Confessions of an Illuminati Series*, the revelations are deeper and even more twisted in Volume III. Zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the Dark Cabal. In the third book of his acclaimed *Confessions* series, Zagami explores a variety of cryptic topics that are always verified with documentation.

This is not a work of fiction, but is instead an indispensable tool when used as a manual, to finally comprehend topics never before disclosed to the public. From the truth on the mythical Knights Templars, and their role in events leading up to today, to the Jesuits and their Vatican espionage game, to the hunt for the Holy Grail in the heart of the Vatican. Zagami shocks once again, showing to the world for the first time the most credible candidates of the Grail mystery, with proven testimony of a now declared Saint of the Catholic Church.

The Illuminati exist, and they have created religions and influenced humanity with spiritual ideology and religious practices since the dawn of time. They have aided individuals such as Aleister Crowley and Gerald Gardner, craft the modern Witchcraft revival which hides behind a pagan image, a Satanic reality in tune with today's New Age movement. Zagami also upholds what he calls "Conspiracy reality," a way to fight back against the system of lies and deceit responsible for the rise of Satanism in the Vatican, showing in the process the magical practices of the Illuminati.
