A safe and beautiful sun-kissed glow! Immediately enhances skin while minimizing premature aging and offering a physical barrier against UVA/UVB rays and free radical damage. This revolutionary sunscreen self-adjusts to the color of any skin tone, enhancing complexions and offering smooth, flawless coverage with a rich blend of anti-inflammatory ingredients. You'll be amazed with this sunscreens lightweight feel and powerful antioxidant protection.

Skin Type Indications	Directions	Benefits	Daily Application
All skin types Aging skin Sensitive skin Rosacea	After cleansing, treating and moisturizing, evenly smooth a small amount over face and neck. Apply over serums, treatments and creams.	<ul style="list-style-type: none"> <li>Prevents against cell damage</li> <li>Physically blocks 97% of UVA and UVB rays</li> <li>Immediately improves skin tone with color-blending spheres</li> <li>Encourages a clear complexion</li> <li>Hydrates lightly without a heavy feel</li> <li>Increases circulation and wound healing</li> <li>Calms redness and irritation</li> </ul>	Morning and before sun exposure

Key Ingredient	Function
Titanium Dioxide and Zinc Oxide	Physical-blocking, mineral derived sunscreen.
Acai Berry	Antioxidant harvested from the rainforests of Brazil. Contains 10 times more antioxidants than red grapes and 10 to 30 times more anthocyanins than red wine.
Green Tea	Anti-inflammatory, anti-carcinogen and antioxidant that prevents DNA, UV and collagen damage. Contains a high level of polyphenols (more powerful than vitamin E).
Galanga	A medicinal herb derived from South-East Asia that is valued for its skin protecting action. Multifunctional ingredient that is used as a sunscreen booster against UV rays, as well as an antimicrobial agent that's active against fighting acne.
Aloe	Anti-inflammatory, antioxidant and water-binding agent that helps hydrate and refresh the skin.
Niacin	Also known as vitamin B3 that helps increase ceramide and free fatty acid levels in the skin, prevents skin from losing water content and stimulates microcirculation in the dermis.
Calendula, Chamomile and Cucumber	Calms, soothes and reduces inflammation. Reduces redness.
Panthenol	Also called vitamin B5, effective for acne, effective for hydration and wound healing.
Sodium Hyaluronate	Humectant that keeps skin hydrated.
Allatoin	A soothing and moisturizing anti-inflammatory derived from the comfrey plant. Provides a keratolytic effect and stimulates the growth of healthy tissue. Helps exfoliate skin and inhibit bacteria.
