# Fischer Identity Partners with IDMWORKS

October 09, 2019. Naples, FL – Fischer Identity announces their Partnership with IDMWORKS, the experts in Identity and Access Management

Fischer Identity is pleased to have IDMWORKS joining as a reseller and integrator of the Fischer Identity Governance and Administration solution. Fischer is committed to establishing a partner ecosystem that provides our valued clients with focused expertise and experience in identity management disciplines.

*“Fischer is proud to have IDMWORKS join our growing partner community. As one of the top rated Identity and Access Management consultancy’s in the country, their vast knowledge of the IGA solution market will provide our current and potential clients with an invaluable resource, allowing them to focus on the solution that will work best for them.” – Andrew Sroka, CEO*

Fischer values the importance of a strong partner ecosystem and continues to align with partners who value customer success. Fischer's partner community is critical to extending Fischer's market reach.

### About Fischer Identity

Fischer Identity's mission is simple: “Your Success.” Fischer's IGA solution is mature and fully integrated, providing dynamic Identity lifecycle management with platform independence - On Premise, IaaS, SaaS Hybrid and Private Cloud. Fischer Identity engages with their clients as partners, providing a framework that offers secure access to the right Information at the right time for the right reason. Fischer never stops innovating, evolving both their products and methodology. And they are never satisfied since they know they can continue to make IAM and IGA easier to acquire, deploy, and use.

### About IDMWORKS

IDMWORKS, recognized by Gartner as a top identity and access management consultancy, has had 800+ IAM engagements with the world’s most recognized brands. They deliver a full spectrum of Advisory, Assessment and IAM Implementation Services, as well as turnkey IAM Managed Services & Hosting in our SOC2 certified data centers.
