Fischer Receives Honorable Mention from Gartner

December 1, 2019. Naples, FL – Fischer honored in the Gartner 2019 Magic Quadrant for Identity Governance and Administration.

Fischer Identity is pleased to announce that it has been recognized as an honorable mention in Gartner's Magic Quadrant for Identity Governance and Administration for 2019.

According to Gartner Inc., a research and advisory firm, "Through 2021, customers using a cloud-architected IGA solution will save an average of 30% in initial integration costs and 40% in overall professional services over a three-year period, and accelerate time to value by an average of 25%."

"As the inventors of cloud delivered, full suite Identity and Governance Administration, Fischer Identity is pleased to see Gartner recognize the importance of mature, scalable, and fully featured cloud-architected IGA. Fischer's trademarked Identity-as-a-Service™ offering was the first, and remains the only, comprehensive, platform agnostic Identity Governance solution available. Our no cost upgrades and fixed fee implementation services make Fischer's "One vendor, any platform" Identity solution the right cloud focused choice for your enterprise." –Andrew Sroka, President and CEO, Fischer Identity.

This announcement is the latest in a string of noteworthy announcements during a strong year for Fischer Identity, including being [named a Product Leader in IGA by KuppingerCole](#), [launching a New Identity for Identity](#), spearheading the creation of [Fischer's Higher Education Advisory Council](#), forming strategic partnerships with [IDMWORKS](#) and [Optiv](#), and several other outstanding accomplishments recently.

Keep up with Fischer Identity at www.fischeridentity.com, as we announce special programs designed to address institutions technology and budget concerns. For more information please contact info@fischeridentity.com or visit our website [to schedule a demo today](#).

About Gartner's Magic Quadrant

Gartner does not endorse any vendor, product or service depicted in its research publications, and does not advise technology users to select only those vendors with the highest ratings or other designation. Gartner research publications consist of the opinions of Gartner's research organization and should not be construed as statements of fact. About Fischer Identity

Fischer Identity's mission is simple: "Your Success." Fischer's IGA solution is mature and fully integrated, providing dynamic Identity lifecycle management with platform independence - On Premise, IaaS, SaaS Hybrid and Private Cloud. Fischer Identity engages with their clients as partners, providing a framework that offers secure access to the right Information at the right time for the right reason. Fischer never stops innovating, evolving both their products and methodology. And they are never satisfied since they know they can continue to make IAM and IGA easier to acquire, deploy, and use.
