## Fischer Strengthens Partnership with Formmi

May 5, 2020: Naples, FL – Fischer Identity is pleased to recognize its ongoing successful partnership with Formmi, Inc. as an integrator of the Fischer solution specializing in Identity and Access Management.

Fischer Identity has partnered with Formmi as an integrator of the Fischer Identity Governance and Administration solution. Formmi focuses specifically on addressing the IAM needs of mid-size organizations, making this an incredibly valuable partnership.

*“Formmi is an organization with a like vision of Fischer when it comes to how an organization should deploy Identity. Their depth of technical know-how coupled with their ability to provide program management and assessments truly made the formation of this partnership a no-brainer from Fischer’s point of view. We look forward to growing our relationship with Formmi to continue to provide our customers with best of breed talent and solutions within the Identity industry.”*

– Dan Dagnall, COO, Fischer Identity

Fischer is committed to establishing a partner ecosystem that provides our valued clients with focused expertise and experience in identity management disciplines. An example of some of the success that has already come out of this productive partnership is Formmi’s involvement with Fischer in successful project management of the UVA implementation last year.

*“We are very pleased with the continued strategic partnership with Fischer Identity. Through this partnership, Fischer and Formmi are instituting means to enable customers to deploy enterprise level identity access management solutions. Fischer is truly a challenger to the status quo! Our aligned vision, IAM expertise, seamless team collaboration and Fischer’s fully integrated IGA solution will provide enhanced services to Fischer’s customers. We look forward to a long-term relationship with Fischer and add to the incredible value that Fischer Identity brings to their customers.”* – Savitha Bilgikar, Founder & COO, Formmi, Inc.

Fischer Identity values the importance of a strong partner ecosystem and continues to align with partners who value customer success. Fischer's partner community is critical to extending their market reach. Fischer Identity is looking forward to the incredible ongoing value that Formmi can help bring to its customers.

### About Fischer Identity

Fischer Identity's mission is simple: “Your Success.” Fischer's IGA solution is mature and fully integrated, providing dynamic Identity lifecycle management with platform independence - On Premise, IaaS, SaaS Hybrid and Private Cloud. Fischer Identity engages with their clients as partners, providing a framework that offers secure access to the right Information at the right time for

the right reason. Fischer never stops innovating, evolving both their products and methodology. And they are never satisfied since they know they can continue to make IAM and IGA easier to acquire, deploy, and use.
