

## Griddly Delivers Good, Clean Fun with Just Add Soap STEAM Kit

Vancouver, BC - (Oct. 11, 2021) – Griddly Games Inc. today announced a neat new entry to its Just Add \_\_\_(ingredient)\_\_\_ line of successful Science + Activity kits with **JUST ADD SOAP**.

The good clean fun of Just Add Soap is the eighth product in Griddly Games' signature "Just Add \_\_\_(ingredient)\_\_\_" line of multi-award-winning **STEAM** (Science Technology Engineering Art Math) Kits. Soap joins the branded series of kits, that already "adds" [Milk](#), [Glue](#), [Sun](#), [Egg](#), [Sugar](#), [Baking Soda](#), and [Fruits & Veggies](#).

Just Add Soap, recommended for ages 8+, is a fun kit that has the underlying study of elasticity and geometry. This bubbly STEAM kit will slip in an increased interest from any budding scientist and artist. Using the new kit, children learn about the geometry of bubbles, density of liquids and chemical reactions while they enjoy over 20 different sparkling fresh new experiments and activities, that can be done over and over again.

Reisa Schwartzman, founder and president of Griddly Games, said, "Expanding off of our Just Add (ingredient) kits, we continue to develop more activity-based products that encourage and engage children about the fun and interest in science."

**About Griddly Games:** We are the creators, manufacturers and marketers of original games and activity kits that are designed for the entire "grid" of people.
